About

The Friends of the St. Charles Library was chartered in 1995. It is a non-profit organization dedicated to supporting our community's library system.

Friends work toward purchasing items for the library branches and sponsoring various library programs.

Funding

Funds are raised through membership dues, spring and fall used book sales, and interlibrary book sales.

Donations

The Friends of the St. Charles Library accepts donations of gently used hardback and paperback books, compact discs, and DVDs. Donations may be brought to any library branch.

Meetings

The Friends of the St. Charles Library Board meets as needed. Members are welcome to attend board meetings.

Meetings and upcoming events are publicized on the St. Charles Parish Library's website (www.myscpl.org).
