Bestselling Author Amy Stewart Visits

Amy Stewart, the *New York Times* bestselling author of nine books, will speak Thursday, January 11 at 6:30 pm at the East Regional Library as part of her Miss Kopp's Midnight Confessions Tour.

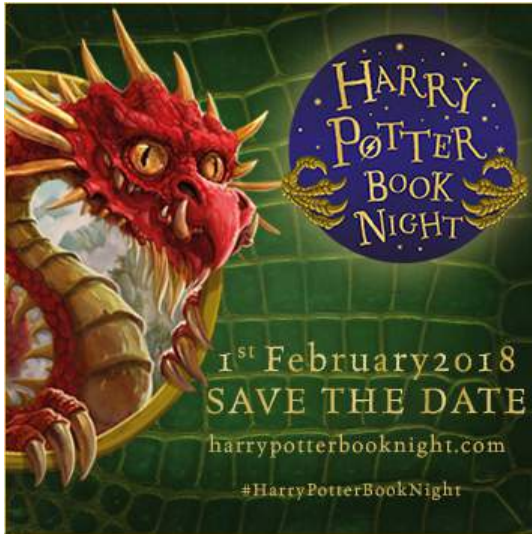

The novels in Stewart's Kopp Sisters series are based on the true story of one of America's first female deputy sheriffs and her two sisters at the turn of the 1900s—Constance, Norma, and Fleurette Kopp. The third book in the series, *Miss Kopp's Midnight Confessions*, was published in September.

After discovering a 1914 newspaper article about the Kopp sisters, Stewart uncovered their eventful history through genealogical archives, court records, old newspapers, and interviews with family members. During her talk, she will share photographs and stories about the Kopp sisters and the historical background that shaped their world over one hundred years ago.

Tubby & Co's Mid-City Book Shop will sell books at the event.

Triple P Positive Parenting Program

The St. Charles Parish Library and Child Advocacy Services are partnering to present the Triple P Positive Parenting Program for parents of children ages birth to 12 at the West Regional Library.

Triple P is designed to give parents simple and practical strategies that they can adapt to suit their own values, beliefs, and needs to raise confident and healthy children. Parents will learn how to encourage behaviors they like, deal with problem behaviors, become more confident as a parent, be realistic about parenting, and take care of themselves.

There are three seminars in the Triple P series. Participants can attend all three or only the ones that interest them. Each seminar will last approximately 90 minutes, with time at the end for any questions. There is no homework and no follow up.

Angela Golden, Prevention Services Coordinator for Child Advocacy Services, will present the seminars.

"The Power of Positive Parenting" will take place Wednesday, January 17 at 6 p.m.

"Raising Confident, Competent Children" will take place Wednesday, January 24 at 6 p.m.

"Raising Resilient Children" will take place Wednesday, January 31 at 6 p.m.

Read more about each session and register online at www.bit.ly/scpltriplep.
