In partnership with the United Way of St. Charles, we are hosting our first volunteer fair on Saturday, January 25 at the East Regional Library in Destrehan.

Drop in anytime between 10am and 2pm to browse local volunteer opportunities in a casual, engaging environment.

Explore a wide range of volunteer opportunities, network with organizations and like-minded individuals, and learn more about the impactful work being done in our community. Let us help you find the causes you're passionate about helping!

Volunteering has many rewards. You can meet new people who share similar interests, learn new skills, and it gives you a chance to give back. Volunteering also brings people together to build a stronger, more engaged community.

### ABRAHAM LINCOLN

*A New Birth of Freedom*

Enjoy hearing a first-hand account of the history of the United States of America from Abraham Lincoln himself on Wednesday, January 15 at the East Regional Library at 10:00am and the West Regional Library at 6:00pm. He'll describe his childhood on the frontier to the twelve turbulent years from 1854 to 1865 which nearly destroyed our young nation but instead eventually resulted in a "new birth of freedom."

Mr. Lincoln is one of our nation's most beloved and esteemed historical figures. He will share quotes from his best-known speeches and writings, and he will also talk about his own inspiring story of how he rose from a humble background to the highest office in the land through self-study, hard work, ambition, and a strong moral character.

This program is designed for adults and for children from ages 6+.

Mr. Lincoln is portrayed by Kevin Wood, a professional Lincoln presenter who bears a remarkable resemblance to "the Great Emancipator" and who is extremely knowledgeable about his life and times. He has made nearly 2,000 appearances in 33 states plus Washington DC, Canada, and Spain.
